## Rayya Social Responsibility

Improving education and educating youth are our shared responsibility as citizens of the Republic of Indonesia.

As the manifestation of the Company's social responsibility and the employee's individual responsibility and to contribute to the improvement education and education of the youth in Indonesia, with the spirit of sharing, Rayya Satu Indonesia just held its annual event titled RAYYA Social Responsibility (RASI).

2023 was the first year RASI was held and the event was a collaboration with Indonesia's non-profit organization, Indonesia Mengajar. Rayya affirmed a commitment with the organization to provide one year funding for one Young Teacher from the organization in Seruyan Regency in Central Kalimantan Province.

The Young Teacher Program is the main program of Indonesia Mengajar which recruits, trains and sends Indonesia's fresh graduates to become voluntary educators in Indonesia's remote regions.

Aside from providing funding for the Young Teacher in Seruyan, Indonesia Mengajar and Rayya Satu Indonesia also held an event titled "Rayya Berbagi Inspirasi" (Rayya Sharing Inspiration) on Thursday, 27 July 2023 in SDN 2 Bojong Menteng in Lebak, Banten.

In this event, a total of around 200 people which consisted of a team from Indonesia Mengajar dan Tim Rayya Satu Indonesia, the principal and the teachers of the school, and around 180 students from Grade 1 until 6 took part in fun activities such teaching and playing together.

Rayya wishes to continue its contribution to the advancement of education and the education of the youth in Indonesia by holding another program which is a book donation to expand the youth's knowledge and imagination and to encourage Indonesia's children to realize their dream.

Rayya supports the right of the children to gain education and an equal opportunity for education for all children in all parts of Indonesia.
